Age-friendly Henderson-Massey

2018 Census

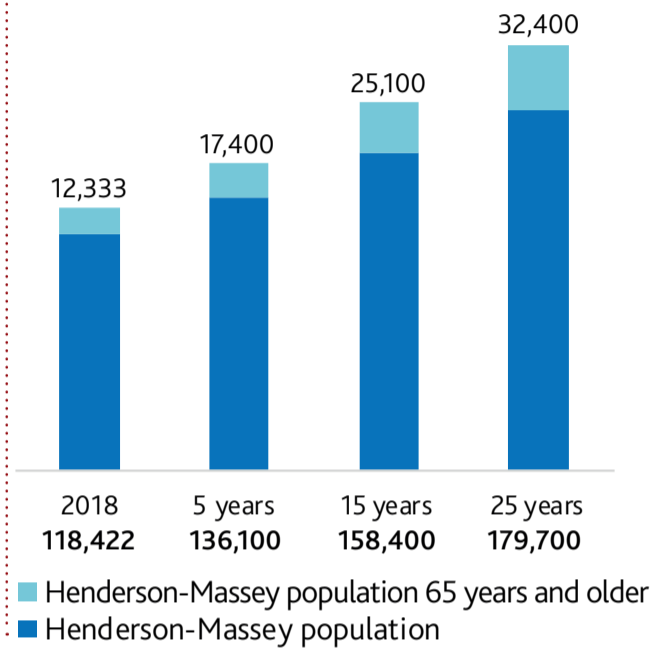

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

Auckland's older population is not a homogenous group. Differences include :

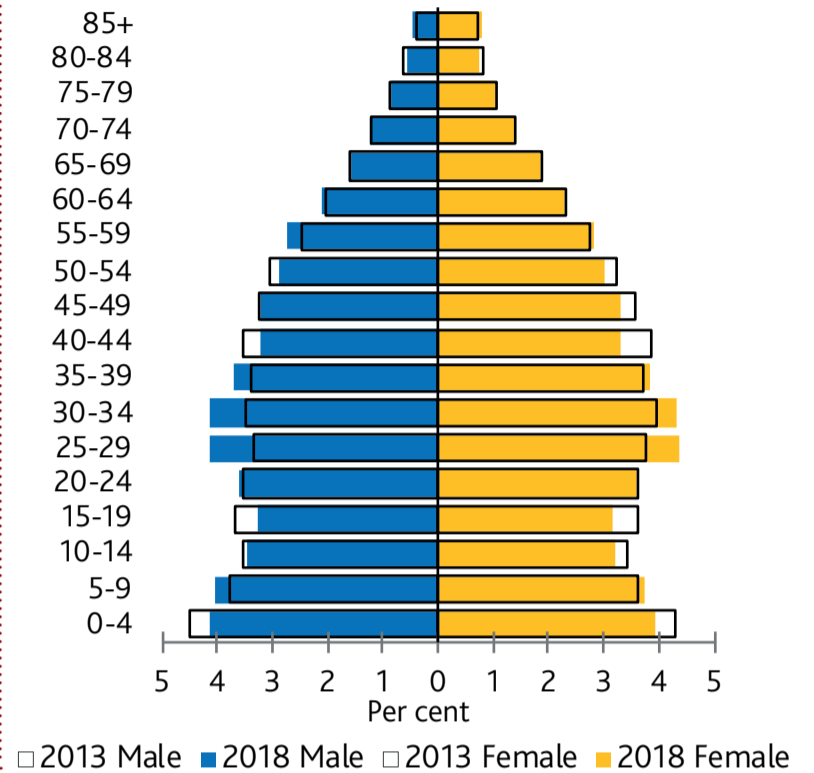

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.

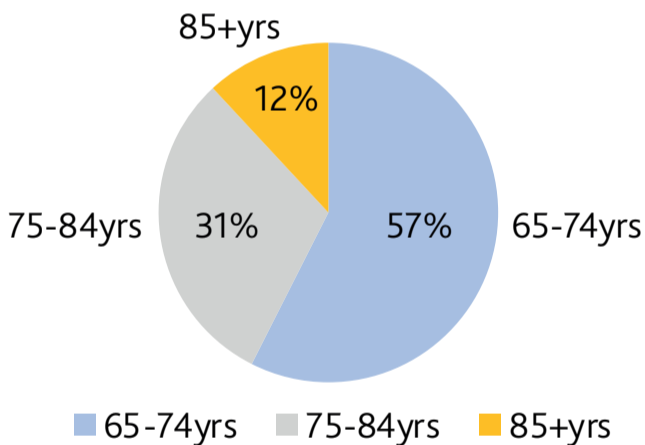

10.4% of the Henderson-Massey population was over 65 years of age in 2018 growing to **18%** in 2043

10% of the Henderson-Massey population are aged 65 and older.
