

Tāmaki tauawhi kaumātua

Age-friendly Kaipātiki

2018 Census

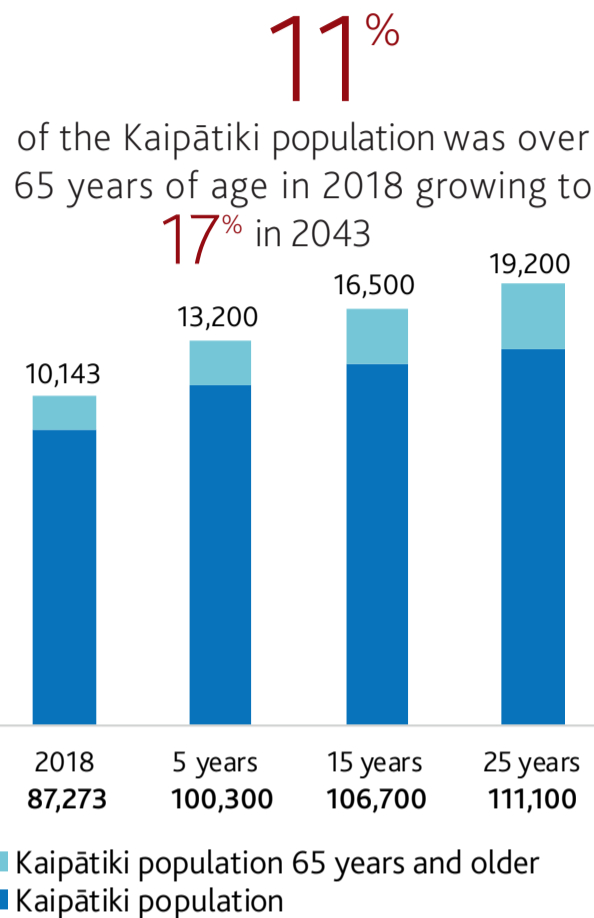

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

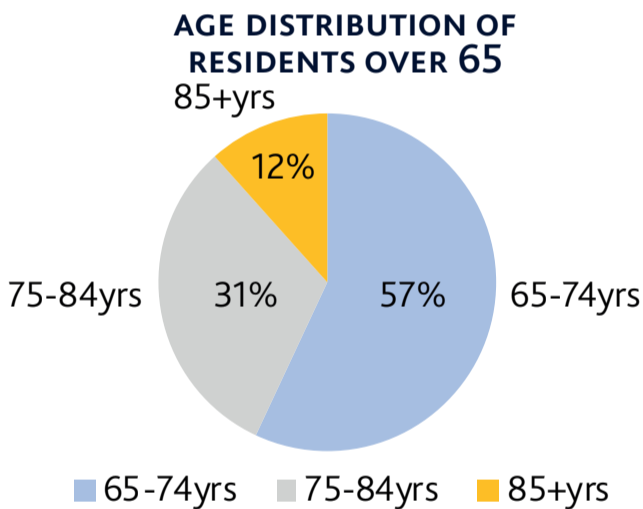

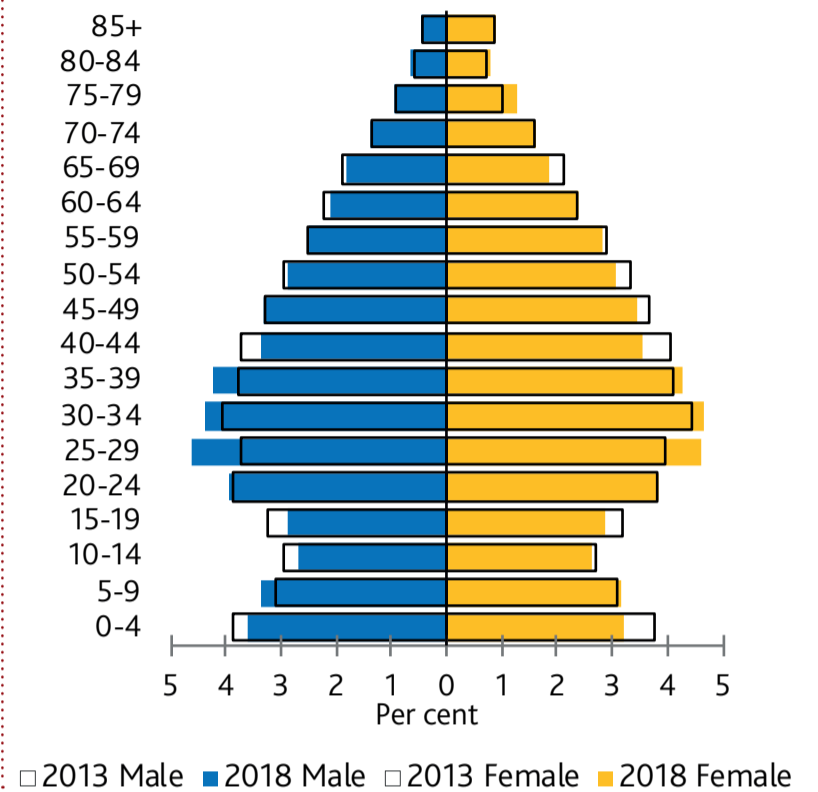

Auckland's older population is not a homogenous group. Differences include :

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.

A high proportion of Kaipātiki residents are aged 25-39
