

Tāmaki tauawhi kaumātua

Age-friendly Ōrākei

2018 Census

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

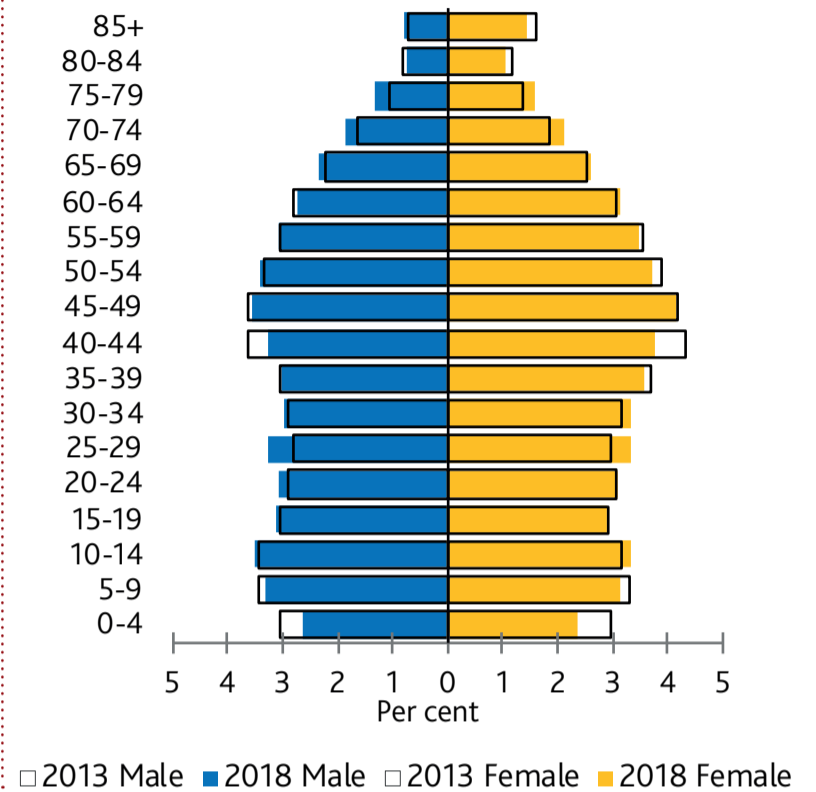

Auckland's older population is not a homogenous group. Differences include :

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.

There are more women than men over the age of 80 in Ōrākei
