Age-friendly Waiheke

2018 Census

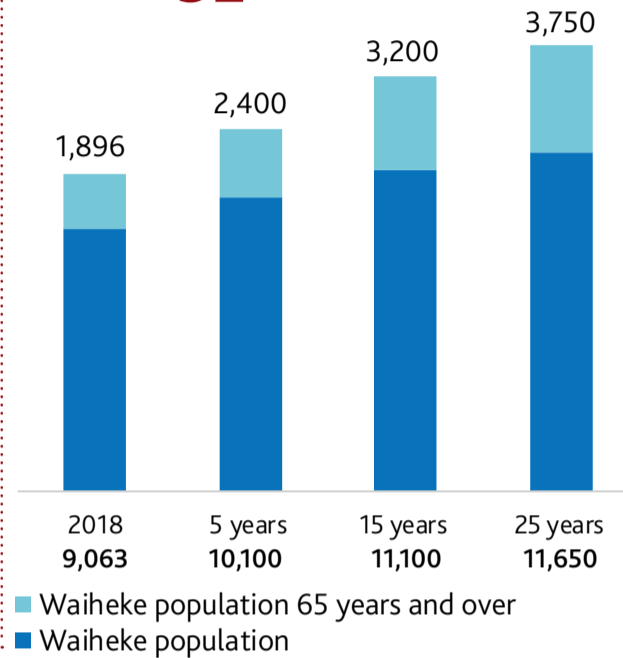

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

Auckland's older population is not a homogenous group. Differences include :

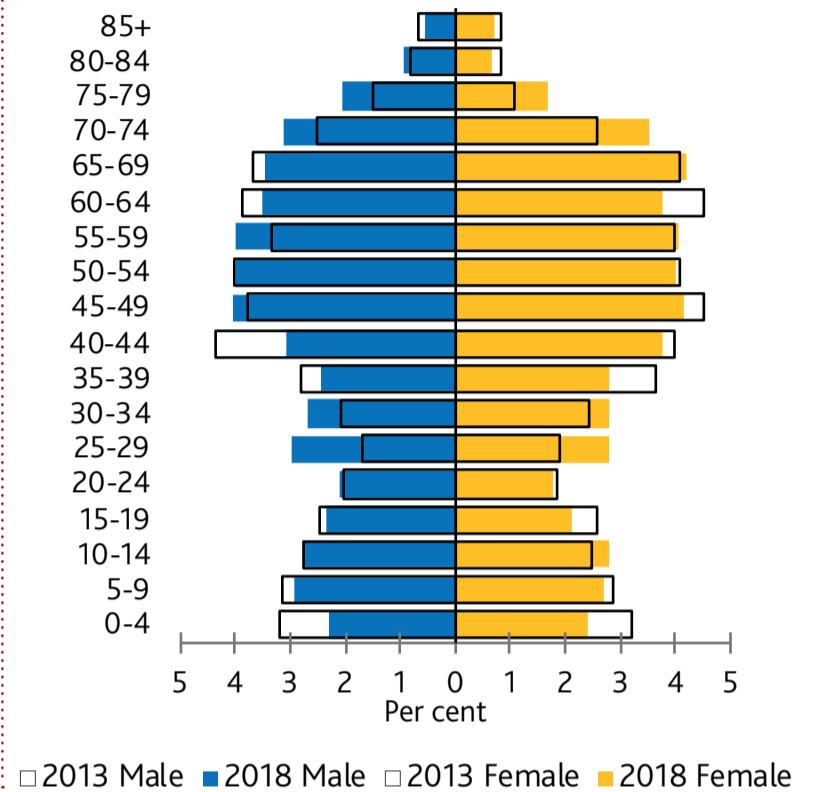

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.

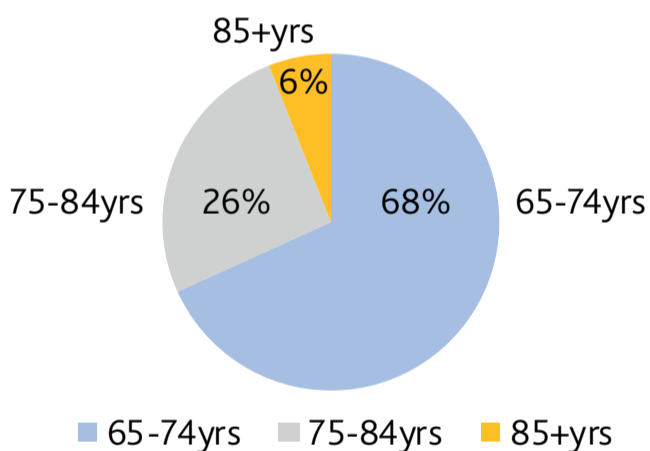

21% of the Waiheke population was over 65 years of age in 2018 growing to **32%** in 2043

A high proportion of the population on Waiheke are aged 45 or older
