About the 2023 Census

The 2023 New Zealand Census of Population and Dwellings was held on 7 March 2023.

Stats NZ used a combined census model in 2023 to produce the highest possible data quality. For more information on what this involved, go to: www.stats.govt.nz/topics/using-a-combined-census-model-for-the-2023-census/.
